Clarity!

Ought

Well you think you were born powerful
And you wanna stay that way?
Well okay
Yeah okay [x2]Well when you wake up in the morning
And you've got it on your mind, yeah, mind, yeah
And when you've gotten
Everything you've ever wanted
All your life, yeah, life, yeah
Did you get what you wanted?
Did you get what you wanted? Or are you ravaged?
Ask her anyway, ask him anywayWell when you wake up in the morning
And you've got it on your mind, yeah, with a halo
Did you get what you wanted?
Did you get what you wanted? Or are you ravaged?
Ask them anyway, ask them anywayWell when you go through every day feeling like there's
Something owed you and you want it
And when you feel like no one holds you like they used to
And you earned it, yeah, you earned it
Did you get what you wanted?
Did you get what you wanted or are you ravaged?
Ask them anyway, ask them anywayAnd then you sort it out [x4]
And it was all there, all there [x3]Well you think you were born powerful
And you wanna stay that way?
Well okay
Yeah okay [x2]When you look out your window
And you say that's my domain
And it's filled with pain
Yeah it's filled with pain
Well you think you were born powerful
And you wanna stay? Stay?
Well okayWell when you wake up in the morning
And you've got it on your mind, yeah, mind, yeah
And when you've gotten
Everything you've ever wanted
All your life, yeah, life, yeah
Do you feel protected?
Did you get what you wanted or are you ravaged?
Ask her anyway, ask him anywayWell when you go through every day feeling like there's
Something owed you and you want it

And when you feel like no one holds you like they used to
And you earned it, yeah you earned it
Did you get what you wanted?
Did you get what you wanted? Or are you ravaged?
Ask them anyway, ask them anywayAsk them anyway [x16]
