

# Amie

## Lonestar

I can see why you think you belong to me  
I never tried to make you think  
Or make you see one thing for yourself  
But now you're off with someone else and I'm alone  
You see I thought that I might keep you for my own Amie, what you wanna do  
I think I could stay with you  
For a while, maybe longer, if I do? Don't you think the time was right for us to find  
All the things we thought weren't proper could be right in time?  
And can't you see which way we should turn together or alone  
I can never see what's right or what is wrong  
Don't you take too long to tell me? Amie, what you wanna do  
I think I could stay with you  
For a while, maybe longer, if I do? Amie, what you wanna do  
I think I could stay with you  
For a while, maybe longer, if I do? Now just come to what you want, you've had your way  
And all the things you thought before just faded into gray  
And you can say that I don't know if it's you or if it's me  
If it's one of us, I'm sure we both will see  
Won't you look at me and tell me Amie, what you wanna do  
I think I could stay with you  
For a while, maybe longer, if I do? Amie, what you wanna do  
I think I could stay with you  
For a while, maybe longer, if I do? Amie, what you wanna do  
I think I could stay with you  
For a while, maybe longer, if I do?  
Amie, what you wanna do
