

# The Camper Velourium I: Faint Of Hearts

## Coheed And Cambria

With the worries that I'd give her and she told the worst of me  
My wanting just to hold your neck in my arms and feel me squeeze  
No, I'm not going to give you what you want so if you please  
The sin that shapes your voice carries my ears, this new disease  
Did somebody take your tongue?  
In worries of the words that you couldn't say  
If they could've saved them from  
But I don't want to sleep without, so I bid to you, goodnight  
Tonight, sleep tight, my love  
The anxious through the calming storm, you'll sit as you pray for rain  
I'll touch it if you ask me to but how it's up to you  
No, I'm not going to let you get up if you struggle willingly  
I'll favor all your form to show you how its been done to me  
Did somebody take your tongue?  
In worries of the words that you couldn't say  
If they could've saved them from  
But I don't want to sleep without, so I bid to you, goodnight  
Tonight, sleep tight, my love  
With all the words you say, you'll say  
You were so well behaved as you watched them made your way  
This gift for your engraved, the shift as you stretch your legs  
You were so well behaved, you were so well  
Who taught these tricks that make? You were so well behaved  
If the world stops turning girl you better not stop  
When I say there was nothing you could do to stop it, why'd you try?  
Then the ground stops parting through the silence as you woke up the dead  
Everything here dies alone  
But I'm not quite sure what you've been told on labor day  
Ooh, I'm not starting with you but the faint of heart were worries way  
But I'm not quite sure what this unfolds on labor day  
Ooh, I'm not starting with you but the faint of heart  
Did somebody take your tongue?  
In worries of the words that you couldn't say  
If they could've saved them from  
But I don't want to sleep without, so I bid to you, goodnight  
Tonight, sleep tight, my love  
Did somebody take your tongue?  
In worries of the words that you couldn't say  
If they could've saved them from

But I don't want to sleep without, so I bid to you, goodnight  
Tonight, sleep tight, my gun
