

Little Acorns

The White Stripes

Take all your problems
And rip 'em apart
Oh Oh Oh
Carry them off
In a shopping cart
Oh Oh Oh And another thing you
Should've known from the start
The problems in hand
Are lighter than at heart Be like the squirrel, girl
Be like the squirrel
Give it a whirl, girl
Be like the squirrel And another thing
You have to know in this world
Cut up your hair
Straighten your curls
Well you problems
Hide in your curls
