

# Free Again

Barbra Streisand

Back to being free again  
Back to being me again  
With all my precious freedom, my precious, precious freedom  
On my own  
Back to being on my own  
Back to live the life I'd known  
Before I ever knew him, before I ever knew him  
Free again, independent me , free again  
Time to call up all the crowd  
Raise the roof and shout out loud  
Time to have a party, a party  
Lucky me, take a look at lucky, lucky me  
Take a look and you can see  
How much I love my freedom, my precious, precious freedom  
Simple me, complicated, simple me  
Back to where I used to be before I ever knew him  
Before I ever knew him...  
Free again, lucky, lucky me  
Free again  
Back in circulation, now,  
Time for celebration, now  
Time to have a party, a party...  
Free again, independent me free again  
Time to call up all the crowd  
Raise the roof and shout out loud  
Time to have a party!  
Lucky me, take a look at lucky, lucky me  
Back to where I used to be! back to where I used to be !  
Free again... free again...  
Free...
