Don't Back Down

Beach Boys

The girls dig the way
The guys get all wiped out
With their feet in the air
You can hear 'em shout
They're not afraid
(Don't back down, don't back down)
Not my boys
(Don't back down, don't back down)
They grit their teeth, they don't back down
(Don't back down)
You gotta be a little nuts
(Don't back down)
But show 'em now who's got guts
(Don't back down)
Don't back down from that wave
With their feet full of tar
And their hair full of sand
The boys know the surf
Like the palm of their hand
They're not afraid
(Don't back down, don't back down)
Not my boys
(Don't back down, don't back down)
They grit their teeth, they don't back down
(Don't back down)
You gotta be a little nuts
(Don't back down)
But show 'em now who's got guts
(Don't back down)
Don't back down from that wave
When a twenty footer sneaks up
Like a ton of lead
And the [Incomprehensible] comes along
And slaps 'em upside the head
They're not afraid
(Don't back down, don't back down)
Not my boys
(Don't back down, don't back down)
They grit their teeth, they don't back down

(Don't back down
You gotta be a little nuts
(Don't back down)
But show 'em now who's got guts
(Don't back down)
Don't back down from that wave
Don't back down
Don't back down
Don't back down
Don't back down
