

# Don't Back Down

## Beach Boys

The girls dig the way  
The guys get all wiped out  
With their feet in the air  
You can hear 'em shout  
They're not afraid  
(Don't back down, don't back down)  
Not my boys  
(Don't back down, don't back down)  
They grit their teeth, they don't back down  
(Don't back down)  
You gotta be a little nuts  
(Don't back down)  
But show 'em now who's got guts  
(Don't back down)  
Don't back down from that wave  
With their feet full of tar  
And their hair full of sand  
The boys know the surf  
Like the palm of their hand  
They're not afraid  
(Don't back down, don't back down)  
Not my boys  
(Don't back down, don't back down)  
They grit their teeth, they don't back down  
(Don't back down)  
You gotta be a little nuts  
(Don't back down)  
But show 'em now who's got guts  
(Don't back down)  
Don't back down from that wave  
When a twenty footer sneaks up  
Like a ton of lead  
And the [Incomprehensible] comes along  
And slaps 'em upside the head  
They're not afraid  
(Don't back down, don't back down)  
Not my boys  
(Don't back down, don't back down)  
They grit their teeth, they don't back down

(Don't back down  
You gotta be a little nuts  
(Don't back down)  
But show 'em now who's got guts  
(Don't back down)  
Don't back down from that wave  
Don't back down  
Don't back down  
Don't back down  
Don't back down
