Streamline Woman

Muddy Waters

Well I've been workin' on the high line
Baby, all day and night
Yes, I've been workin' on the high line
Baby, all day and night
I got a streamline woman
She make my electro kick off right
Well now, if you want to be my little girl
You said you really wanna be in the mood
You'd mind me to so proper, when you're blue
Child I've been workin' on the high line
Baby, all day and night
I got a streamline woman
She make my electro kick off right
What kind of woman is that called?
All right, man
Well now, you know I want you to pull down your windows, baby
Pull down your window blinds, so your next door neighbor, little girl
Won't hear that old troubadour whine
Child I've been workin' on the high line
Baby, all day and night
You know you're my streamline woman
You make my electro kick off right
