

# Jaded

## Miley Cyrus

I don't wanna call and talk too long  
I know it was wrong but never said I was sorry  
Now I've had time to think it over  
We're much older and the bone's too big to bury  
Oh, isn't it a shame that it ended like that?  
Said goodbye forever, but you never unpacked  
We went to Hell, but we never came back

I'm sorry that you're jaded  
I could've taken you places  
You're lonely now and I hate it  
I'm sorry that you're jaded

You're not even willing to look at your part  
You just jump in your car and head down to the bar 'til you're blurry  
Don't know when to stop, so you take it too far  
I don't know where you are and I'm left in the dark 'til I'm worried  
Oh, and it hurts me  
And it's a fucking shame that it ended like that  
You broke your own heart, but you'd never say that  
We went to Hell, but we never came back

I'm sorry that you're jaded (jaded)  
I could've taken you places (places)  
You're lonely now and I hate it  
I'm sorry that you're jaded

I won't lie, it won't be easy  
When somebody new's on your body  
I'll change my number but keep your T-shirt  
I don't mind it's torn up and faded

I'm sorry that you're jaded (jaded)  
I could've taken you places (places)  
You're lonely now and I hate it  
I'm sorry that you're jaded  
I'm sorry that you're jaded
