

# Code Red (Single Version) [2004]

## The Boxer Rebellion

Here are the proper lyrics, Im pretty sure:Tell me again,  
Yeah I'm losing you.  
Caught snagged in a line,  
You're not coming through.What was it like that night?  
You've been running from love  
You've been running from life  
(repeated)Code red, code red  
Yeah yeah.  
Code red, code red  
Yeah yeah.
