Matter of Time

Lisa Shaw

Where'd we stay
So distant for me
Have your way
So you're gonna break me down

Pulling my love around
My mind says aloud
But loud and clear's unheard
Guilty pleasures you'd say
I can't explain
How I feel
All the ways
My love is real
Promises
For all I've found
Don't you know I need more

It's just a matter of time
Before you break me down
It's just a matter of time
Before you break me now

No kisses lying why'd you
But something makes me wait
Then distant for a long time
I know you have your way
So you break me
When I don't know
It should make me stronger
But I can't last forever

It's just a matter of time
Before you break me down
It's just a matter of time
Before you break me now
Before you break me now

Can't you see it why
You do it to me
Do it to me

Do it to me
Can't you see it why
Can't you see it why
You do it to me
Do it to me
Do it to me
Can't you see it why

Can't you see it why

Can't you see it why
