

Winter Song

Caesars

The Wind is freezin all around
Dirty snow keeps falling down

I'm still here and you are gone
The city is cold and winter has come

Ooh gone ooh gone all winter long
Ooh gone ooh gone all winter long

I'm running down the icy streets
Trying to catch the last ??

Stumbling on my tired feet
Chasing down the summer street

Ooh gone ooh gone all winter long
Ooh gone ooh gone all winter long

The Wind is freezin all around
Dirty snow keeps falling down

I'm still here and you are gone
The city is cold and winter has come

Ohh gone ohh gone all winter long
Ohh gone ohh gone all winter long

Ohh gone ohh gone all winter long
Ohh gone ohh gone all winter long
