Lost in the Dark

Milagres

I went to school
I planted trees
I won a race
I've kept bees
I fought in wars
and ran factories
but I'm lost in the dark
feeling the way
lost in the dark
feeling the way
I made you laugh
I made you keys
I fell in love
I fell asleep
I kept your secrets
and I heard your heart beat
but I am lost in the dark
feeling the way
feeling the way
lost in the dark
feeling the way
feeling the way
lost in the dark
feeling the way
feeling the way
lost in the dark
feeling the way
feeling the way
feeling the way
feeling the way
feeling the way
out
Lost the dark
feeling the way
feeling the way
Lost in the dark
feeling the way
feeling the way
Lost in the dark

feeling the way
feeling the way
Lost in the dark
feeling the way
feeling the way
