

The Brand New Tennessee Waltz (1971 Version)

Jesse Winchester

Oh my, but you have a pretty face
You favor I girl that I knew
I imagine that she's back in Tennessee
And by God, I should be there too
I've a sadness too sad to be trueBut I left Tennessee in a hurry dear
In same way that I'm leaving you
Because love is mainly just memories
And everyone's got him a few
So when I'm gone I'll be glad to love youAt the Brand New Tennessee Waltz
You're literally waltzing on air
At the Brand New Tennessee Waltz
There's no telling who will be there
When I leave it will be like I found you love
Descending Victorian stairs
And I'm feeling like one of your photographs, girl
Trapped while I'm putting on airs
Getting even by saying Who caresAt the Brand New Tennessee Waltz
You're literally waltzing on air
At the Brand New Tennessee Waltz
There's no telling who will be thereSo have all your passionate violins
Play a tune for a Tennessee kid
Who's feeling like leaving another town
But with no place to go if he did
Cause they'll catch you wherever you're hid
At the Brand New Tennessee Waltz
You're literally waltzing on air
At the Brand New Tennessee Waltz
There's no telling who will be there
