Album: Borrowed Tales

Pretend your happy when you're blue

It isn't very hard to do

And you'll find happiness without and in

Whenever you pretend

Remember anyone can dream

And nothing's bad as it may seem

The little things you haven't got could be a lot

If you pretend

You'll find a love you can share

One you can call all your own

Just close your eyes she'll be there

You'll never be alone

And if you sing this melody

You'll be pretending just like me

The world is mine it can be yours my friend

So why don't you pretend

You'll find a love you can share

One you can call all your own

Just close your eyes she'll be there

You'll never be alone

And if you sing this melody

You'll be pretending just like me

The world is mine it can be yours my friend

So why don't you pretend
