Only If I (Peter Luts remix)

Kate Ryan

Happy days past by much faster.
As every single moment that I spend with you.
Somehow we let our feelings die, slipping? away without a try.
Bring me back to when we met and start all over[Chorus:]If I could turn back time I know I'd do it all again, do it all again wow!
Cause you where the summer of my life.
Only if I could turn back time I know I'd give it again, give my love again wow!
Memories that keeps me warm inside
Only if ICould see yesterday tomorrow.
Say the things you never heard from me before.
I could have loved you once again.
Only a heart can not forget.
Bring me back to when e met and start all over
