Hate Me

Bodycall

It?s not enough
It?s not enough
It never was or will be
I never had the chance to thank you
(FOR RIPPING OUT MY HEART)
It?s not enough
It?s not enough
It never was or will be
I never got the chance to say
(FUCK YOU)
[Verse 1:]I don?t want to be your tourniquet
For minor lacerations
Don?t wanna be your Romeo
Because you?re no Goddamn Juliet
(you always did know just what to say; insult and injury)
(YOU JUST LOVE TO HATE ME!)
[Chorus:]It?s not enough
It?s not enough
It never was or will be
I never had the chance to thank you
(FOR RIPPING OUT MY HEART)
It?s not enough
It?s not enough
It never was or will be
I never got the chance to say
(FUCK YOU)
[Verse 2:]
You?ve got a gun
I?ve got a gun
Let?s write a tragic ending
Don?t wanna be this way again
Don?t wanna be the one to blame
(you can have the high roads; I?ll take the roads, disguise the frailty)
(I JUST LOVE TO HATE YOU!)
[Chorus:]It?s not enough
It?s not enough
It never was or will be
I never had the chance to thank you
(FOR RIPPING OUT MY HEART)

It?s not enough
It?s not enough
It never was or will be
I never got the chance to say
(FUCK YOU)
[Outro:](YOU JUST LOVE TO HATE ME!)
It?s not enough
It?s not enough
It never was or will be
I never had the chance to thank you
(FOR RIPPING OUT MY HEART)
It?s not enough
It?s not enough
It never was or will be
I never got the chance to say
(FUCK YOU)
