

Off the Chain

Selena Gomez

Twisted,
You've shaken my existence,
When I'm with you baby this is,
All I've come to know.
Running,
I didn't see it coming,
Blinded it's so stunning,
I don't wanna let you go. A thousand church bells ringing,
I can hear the angels singing,
When you call my name,
Your love is off the chain.
The chemistry is crazy,
And you make me feel amazing,
And I can't explain,
Your love is off the chain. Your love, (off the chain) your love, your love,
(Off the chain, chain, off the chain)
Your love, (off the chain) your love, your love.
(Off the chain, chain, off the chain) Coming,
Just keep the magic coming,
You've got me baby crushing,
But it feels like so much more.
Just when,
When I least expected,
You make it feel so epic,
Like nothing I've felt before. A thousand church bells ringing,
I can hear the angels singing,
When you call my name,
Your love is off the chain.
(Off the chain, chain, off the chain)
The chemistry is crazy,
And you make me feel amazing,
And I can't explain,
Your love is off the chain.
(Off the chain, chain, off the chain) Your love, (off the chain) your love, your love,
(Off the chain, chain, off the chain)
Your love, (off the chain) your love, your love.
(Off the chain, chain, off the chain) I'm not the type who gets crazy for someone,
Alter me, tripping on it next to nothing,
Guarded my heart like a diamond ring,

But love, (chain) your love (chain) changes everything. Everything is changed,
Everything is changed,
Everything is changed,
Your love is off the chain. Everything is changed,
Everything is changed,
Now everything is changed,
Your A thousand church bells ringing,
I can hear the angels singing,
When you call my name,
Your love is off the chain.
(Off the chain, chain, off the chain)
The chemistry is crazy,
And you make me feel amazing,
And I can't explain,
Your love is off the chain.
(Off the chain, chain, off the chain) Your love, (off the chain) your love, your love,
(Off the chain, chain, off the chain)
Your love, (off the chain) your love, your love.
(Off the chain, chain, off the chain) Your love, (off the chain) your love, your love,
(Off the chain, chain, off the chain)
Your love, (off the chain) your love, your love.
(Off the chain, chain, off the chain)
