

# Tips For Teens

## Sparks

I've got a snapshot of your aunt Maureen  
She's 90 and you're a teen  
I'm trying to cheer you up  
Don't be so mean, don't be so mean  
Crach, bam, now you're looking good  
Tip top, now you're feeling good  
Once more, here's your aunt Maureen  
Don't you feel good? Don't you feel good?  
Tips for teens, tips for teens  
The kind you don't see in magazines  
Tips for teens, tips for teens  
The kind you don't see on T.V. screens  
Tips for teens, tips for teens  
Wake up to music  
And say you're too sick to go to work  
Soon, you will lose all your zits  
Tight sweaters no longer fit  
Jet-setters will make their pitch  
I told you so, I told you so  
Tips for teens, tips for teens  
The kind you don't see in magazines  
Tips for teens, tips for teens  
The kind you don't see on T.V. screens  
Tips for teens, tips for teens  
Don't eat that ice cream  
It is vanilla? Give it to me  
Don't eat that pastry  
What's in the middle? Give it to me  
Don't eat that burger  
Has it got mayonnaise? Give it to me  
  
Keep that mystique up  
And wear a 'D' cup, no matter what  
Don't eat no curry  
Before a very important date  
Do I look so knowing and old and wise  
Maybe it's those Dacron ties  
How come you keep asking me?  
For tips for teens, for tips for teens

Crach, bam, now you're looking good  
Tip top, now you're feeling good  
Once more, here's your aunt Maureen  
Don't you feel good? Don't you feel good?  
Tips for teens, tips for teens  
The kind you don't see in magazines  
Tips for teens, tips for teens  
The kind you don't see on T.V. screens  
Tips for teens, tips for teens  
Tips for teens, tips for teens  
The kind you don't see in magazines  
Tips for teens, tips for teens  
The kind you don't see on T.V. screens  
Tips for teens, tips for teens  
The kind you don't see in magazines  
Tips for teens, tips for teens  
The kind you don't see on T.V. screens  
Tips for teens, tips for teens  
The kind you don't see in magazines  
Tips for teens, tips for teens
