They Say It's Wonderful

John Coltrane

They say that falling love is wonderful
It's wonderful, so they say
And with the moon up above, it's wonderful
It's wonderful, so they tell meI can't recall who said it
I know I've never read it
I only know they tell me that love is grand, and
The thing that's known as romance
Is wonderful, wonderful
In every way, so they sayTo leave your house some morning
And without any warning, you're stopping people,
Shouting that love is grand, and
To hold a man in your arms is wonderful, wonderful
In every way, so they say
