

Be Yourself (OST Scrubs/ĐšĐ»Đ,Đ¹/₂Đ,Đ°Đ°)

Audioslave

Someone falls to pieces
Sleeping all alone
Someone kills the pain
Spinning in the silence
She finally drift away
Someone gets excited
In a chapel yard
Catches a bouquet
Another lays a dozen
White roses on a grave And be yourself is all that you can do
To be yourself is all that you can do Someone finds salvation in everyone
Another only pain
Someone tries to hide themselves
Down inside himself he prays
Someone swears their true love
Until the end of time
Another runs away
separate or united?
Healthy or insane? And be yourself is all that you can do (all that you can do)
To be yourself is all that you can do (all that you can do)
To be yourself is all that you can do (all that you can do)
Be yourself is all that you can do Even when you've paid enough
Been pulled apart
Or been held up
Every single memory of
The good or bad, faces of love
Don't lose any sleep tonight
I'm sure everything will end up alright
You may win or lose But to be yourself is all that you can do
To be yourself is all that you can do
To be yourself is all that you can do (all that you can do)
To be yourself is all that you can do (all that you can do)
To be yourself is all that you can
Be yourself is all that you can
Be yourself is all that you can do
