

Straight Back

Fleetwood Mac

What can I say this time which card shall I play?
The dream is not over, the dream is just away
And you will fly like some little wing
Straight back to the sun
The dream was never over
The dream has just begun
The dream has just begun
(Dream)Fingers find the ivory keys and a song
Begins to begin like a wolf on the run
And you will find while in the wind something that you lost
The dream was never over, no
The dream was only lost
(Hours and hours of waiting for you, so strong and so fleeting)
The dream has just begun
(And hours of waiting for you)
The dream has just begun
(Meeting)
Hours and hours of waiting for you, so strong and so fleeting
(This way)
But the dream has just begunShe remembers how good it can be
(Hours and hours)
He remembers a melody
(Waiting for you)
Ah, in the shadow of my shadow in a dreamHe remembers how good it can be
(Hours and hours)
She remembers a melody
(Waiting for you)
Well, in the shadow of my shadow in a gleamHours and hours of waiting this way so strong and so fleeting
(The dream has just begun)
Hours and hours of waiting this way, needing me
(The dream has just begun)
Meeting this wayStraight back
Straight back
Straight back
Straight back
He remembers a melody
He remembers how good it can be
Straight back
Straight back
