The Man in the Picture

The Bobkatz

The man in the picture didn't fly through the air, he's no superhero, he's sure no millionaire, he didn't walk on the moon, he didn't save the world today, but he's my hero anyway.

We all need a hero, someone to follow, someone to look up to, a good role model. Well I'm sitting here lookin' at an old photograph upon my wall, the man in the picture had it all.

Yeah, the man in the picture didn't fly through the air, he's no superhero, he's sure no millionaire, he didn't walk on the moon, he didn't save the world today, but he's my hero anyway.

I'm walking through the back blocks, kids on the street, I wonder why they're angry all the time. Well, they're all out searching for something that they just don't find, I guess they need a hero like mine.

Like the man in the picture didn't fly through the air, he's no superhero, he's sure no millionaire, he didn't walk on the moon, he didn't save the world today, but he's my hero anyway.

If I had a wish today, I wouldn't wish for riches, I wouldn't wish for flashy cars or fancy britches, I'd wish that someday, my son would paint my picture and say...

That man in the picture didn't fly through the air, he's no superhero, he's sure no millionaire, he didn't walk on the moon, he didn't save the world today, but he's my hero anyway.

A kind of gentleman, the best friend I ever had, he's my hero, he's my dad.

The man in the picture, he's my hero, he's my dad. (That man in the picture)
The man in the picture, he's my hero, he's my dad. (The man in the picture)
The man in the picture, he's my hero, he's my dad. (That man in the picture)
