## This Is God

## **Phil Vassar**

Hey, this is God Could I please have your attention There's a need for intervention Man, I'm disappointed in what I'm seeing Yeah, this is God You fight each other in my name Treat life like it's a foolish game I'd say you've got the wrong ideaOh, all I'm asking for is love Well, I've seen you hurt yourselves enough Oh, I've been waiting on a change in youYeah, this is God I've given everything to you But look at what you do To the world that I created This is God And what's with this attitude and hate You grow more ignorant with age You had it made, now look at all you've wastedOh, all I'm asking for is love I've seen you hurt yourselves enough Oh, I've been waiting on a change in you, yeahI know your every thought Your heart and soul and every move There are so many consequences To the things you do All I'm asking for is love Haven't you hurt yourselves enough Oh, I've been waiting on a change in you A change in you, oh This is God
