Smooth (feat.Nadia Ali)

Iio

Honey, love, honey, love, what you do to me
I can't think, I can't act the way I use to be
Got no choice, just your voice send me through the roof
I'm a mess, I confess it's because of youOoh, shook me up so quickly
Ooh, hit me like a smooth breezeSmooth like the air, I take you into me
You're all I crave, remain within me, deep
Just like the air, you're there around it all
Smooth everywhere, your stare, it made me fallTurn around, take me down to your dreaminess
Come on in and again, we can lay and rest
Close your eyes, my sunrise, shine your beam of light
Ride the wave to escape and be by my sideOoh, ooh, ooh, ooh, checking me up so gracefully
You, ooh, ooh, ooh, ooh, hit me like a smooth breezeSmooth like the air, I take you into me
You're all I crave, remain within me, deep
Just like the air, you're there around it all
Smooth everywhere, your stare, it made me fall(Honey, love, honey, love, what you do to me)
Shook me up so quickly
(I'm a mess, I confess it's because of you)
Hit me like a smooth breezeSmooth like the air, I take you into me
You're all I crave, remain within me, deep
Just like the air, you're there around it all
Smooth everywhere, your stare, it made me fall
