

# A World Apart

## Fates Warning

We find ourselves in ruin and it's come too far  
How? It's no use, too much allowed and abused  
Worlds apart, they're excused  
When we've warned, they're amused  
We slip right by and ignore this sable scene  
We've lied to live, it's all for one, you see  
Why should we think to care?  
Won't we anyway disappear?  
Worlds apart, they're excused  
Balance waived as we speak  
Praised are those with fashions grand  
Self concern leads their plan  
A moment's craze and natural crime  
Subserves a world to malignant minds
