

# Charlie Don't Surf

## Funeral For A Friend

Called the house to see if anyone was home  
Question the silences, the negative response  
Stayed to see the sunrise raising hell over the square  
Didn't lose the sense of promise laced upon the air  
Education was a simple learning curve  
Ruined by the lack of anything to use  
Of knowing what to say and what to lock away  
Pay attention for detention's here to stay  
It took so long to find all the answers through the lies  
It's been so long that I don't know if it's alright  
Problematic interest never fails to impress  
Score cards for everyone, you wear them out to dress  
Badge of honor, true to code and true to form  
Buried underneath all these expectations  
If there was any kind of picture that I could paint for you  
I bet you any money that the numbers wouldn't stick for all I know  
I'll take some credit for myself if I can  
And walk away from this whole scene a happier man  
It took so long to find all the answers through the lies  
It's been so long that I don't know if it's alright  
It's alright, it's alright, it's alright, it's alright, it's alright  
It took so long to wait until the end
