Constant Quarrel

Master

Life's uncertainty
The age of constant quarrel
Undying loyalty
Will this foot the billRelapse
Fall back
Repress
CollapseSpent prophets reassure
A sense of false belief
Often to endure
A possible reprieveWalk away
Never return
Walk away
Never learnPromises of grandeur
I seen it in their eyes
The telephone stopped ringing
The moneys been disguisedWalk away
Never return
Walk away
Never learnLife's uncertainty
The age of constant quarrelUndying loyalty
Will this foot the billRelapse
Fall back
Repress
CollapseWalk away
Never return
Walk away
Never learn
