The Secret Is Love

Nadine Beiler

When I close my eyes, I fall into a dream
Can't you see this world of people, live in peace
The sun is shining in my heart, rainbows in the sky
Spread your wings and fly, fly, fly, highWe're gonna dream us on our way in a world where we are not meant to stay
Together we can make it, oh, the secret is you, it's loveWhen I smile inside my heart, I feel so free
All the fears and doubts they turn into belief
I feel right, we'll make it right, now
If we trust, trust, trust in love
We're gonna dream us on our way in a world where we're not meant to stay
Together we can make it, oh, the secret is love
I'm reaching out my hand to you
So, just let the light shine through
So we can realise the wonder of love, trust, love, lifeSo I want to believe
So I want what it takes, to see - loveJust open your eyes
We're gonna dream us on our way in a world where we're not meant to stay
Together we can make it, oh, the secret is love
I'm reaching out my hand to you
So, just let the light shine through (the light shine through)
So we can realise the wonder of love, trust, love, lifeSpread your wings and fly
Trust, loveThe secret is love
