

I'll Surely Die

The Rubens

It's cold outside and I'm not quite
ready for the morning light
ohohhhMy hands are tied cause if I try
to leave this place I'll surely die
I'll surely dieHey Hey Hey
I'll surely die
I'll surely die
Hey Hey Hey
I'll surely die
I'll surely dieThe stories of way back when
A guy got out and made it there
ohohhhI think I'm gonna give it a try
Even though I'll surely die
I'll surely dieHey Hey Hey
I'll surely die
I'll surely die
Hey Hey Hey
I'll surely die
I'll surely die(guitar solo)Hey Hey Hey
I'll surely die
I'll surely die
Hey-----
I'll surely die
I'll surely die
Hey Hey hey
I'll surely die
I'll surely die
Hey-----
