

Let You Down

Our Lady Peace

Hey what do you see?
It's not me, it's not me
Why, why won't you share?
It's not fair, it's not fair There's a bicycle show
Where the bicycle's float
And I, I wouldn't of cared, I wouldn't of cared
I wouldn't of cared And I won't be the one who bothers you
And I won't be the one who let's you down Bothers you, bothers you, bothers you Now, now that you're there
You're not scared, not scared
Why, why would you care
It's your dream not theirs There's a cigarette thief
Stealing cigarette disease
I wish I was there, I wish I was there
I wish I was there And I won't be the one who bothers you
And I won't be the one who let's you down And I won't be the one who bothers you
And I won't be the one who let's you down Bothers you, bothers you, bothers you, bothers you And I won't be
the one who bothers you
And I won't be the one who let's you down And I won't be the one who bothers you
And I won't be the one who let's you down Bothers you, bothers you, bothers you, bothers you
Bothers you
