

# I Hate Big Deal People

## Sicko

I hate big deal people, man they totally bog  
It always seems like people gotta totally freak  
on the most unimportant insignificant things  
what's the point in being mad all the time  
I don't know I hate big deal people, man they're totally weak  
We can't sit here and we've gotta sit there  
can't you see that I don't care  
What's the point in being there all the time  
I don't know Leave me alone, go away  
If it's such a big deal  
I don't wanna play I hate big deal people and I'm sure that they hate me  
If people could lighten up and have a good time  
the time I gotta spend with them, I wouldn't mind  
what's the point in being mad all the time  
I don't know
