

# If I Don't Tell You Soon

David Charvet

Every time that I'm with you  
I get scared  
'Cause the emotion feels so strong  
I'd give my world just to hold you  
To be with you  
Would you dare  
It's time to say what I gotta to say  
If you go, I know I'm the one to blame  
And if I don't tell you soon  
How much I really feel inside  
I'm sure I'll die  
And if I don't take this chance  
You're never gonna know the truth  
If I don't tell you soon  
Every night when I'm dreaming  
I can see  
All the memories that we've shared  
How can you say I don't love you  
It's time I show you  
That I care  
It's time to say what I gotta to say  
If you go, I know I'm the one to blame  
And if I don't tell you soon  
How much I really feel inside  
I'm sure I'll die  
And if I don't take this chance  
You're never gonna know the truth  
If I don't tell you soon  
It's time to say what I gotta to say  
If you go, I know I'm the one to blame  
And if I don't tell you soon  
How much I really feel inside  
I'm sure I'll die  
And if I don't take this chance  
You're never gonna know the truth  
If I don't tell you soon  
If I don't tell you soon  
How much I really feel inside  
That I care  
I'm sure I'll die  
And if I don't take this chance  
You're never gonna know the truth  
If I don't tell you soon  
That I want you  
That I feel you  
That I need you  
If I don't tell you soon  
That I want you  
That I feel you

That I need you  
If I don't tell you soon
