## :Wumpscut:

"ier Sind Doch Irgendwo Kinder Versteckt Ich Wittere Sie Ich Werde Sie Aufspren Wenn Meine Nase Mich Nicht Tuscht Sind Sie Dort Sie Mssen Ganz In Der Nhe Sein Das Spre Ich"

You Are In A Mess Cause This Is The End  
God He Cannot Bless Not Leading Your Hand  
In Your Mother's Womb You Feel Warm And Safe  
That's A Fallacy Cause This Is Your Grave  
Do You Want To Feel How Hard It Can Be  
Vegetating Flesh Was Always The Fee  
For Living In This Pain And In Agony  
Til The Devil Comes And Fetches With Glee

Kommt Heraus

Embryodead You Will Go

Mad Let's Ease Your Pain

Embryodead

You Are Condemned Don't Attempt

To Exist In This World Full Of Hate

"Man Braucht Nur Zu Wissen Wo Man Sie Zu Suchen Hat Sie Mssen Ganz In Der Nhe Sein Das Spre Ich Diese Nase Hat Mich Noch Nie Getuscht In Meinem Leben Noch Nicht Und Wenn Ich Die Kinder Hier Entdecke

Fange Ich Sie In Meinem Netz Und Du Wirst Bestraft"

Do You Want To Feel How Hard It Can Be  
Vegetating Flesh Was Always The Fee  
For Living In This Pain And In Agony  
Til The Devil Comes And Fetches With Glee  
You Are In A Mess Cause This Is The End

Do Not Ask Me To Decide  
Cause It's Me Who Can Tell You  
How Hard It Is To Live  
Cause It's Me Who Can Tell You

How Hard It Is To Give  
Without Any Reason Without Any Sense  
Embryodead  
You Will Go Mad
