Hope for the Best

John Verity

Been around a long time, still paying my dues
Got to be reason, dues rhymes with blues!
Iâ€™m still paying them
Iâ€™m still playing them

Did I pick the Joker, or did I pick the Queen?
Iâ€™m still trying to figure out, just what life means
Iâ€™m still paying
Iâ€™m still playing

Chorus:
Some say Iâ€™m troubled - Some say Iâ€™m blessed
I just let my heart tell my fingers what to do
& hope for the bestâ€¦.

Bridge:
I remember the young boy, face to the window, longing in his heart.
If only, if onlyâ€¦
Ha! â€“ but he didnâ€™t know, today was just the start.

SOLO

Let me tell you people, got to be a cost
But I still get that feeling â€“ the need to be the boss
Iâ€™m still paying
& Iâ€™m still playing

Been around a long time, still paying my dues
Got to be reason, dues rhymes with blues!
Iâ€™m still paying them
Iâ€™m still playing them
