

Been Thinking (feat. Maraza & Golden Black)

Junior De Rocka

Waves.

But you was outchea fucking with him.

Offside course ride in a benz?
Fuck it I aint know, was it a bimmer?

Look how much that nigga got you to get.
(See I aint saying I was better but I)

Had my days I could love it depends.
(Dont sweat it. Girl it aint shit
Where that heart?
I brought the tool for the fix)

Back at it, love? Thats a dead end
She call me papa . We baps when the day ends
(Hhmm yeaah)

Baps When the day ends
Lani I'd have all your kids like a daycare.
Still throwing shots Girl you still in the picture

That still your girl but she know she my bitch.
April Im sorry I callded you a bitch.

Wait for your calls when I call you aint pick up hmm

(Girl you know I saw what I saw. You just believe what you hear from these broads.

Shit aint never ever gon feel the same.
Pity this time you the one here to blame.
All my drinks is in colour. Comas and code.

Lani Lani. Dropped my soul at the dojo.
Picking shrooms all my niggas is ayt

Chasing paper for the.
HOOK.

Why you fiend yeah?

 Girl just come
 Come ride this wave.

 Why you fiend yeah(yeah)?
 Wave wave wave wave Yeah.

 Why you fiend yeah?
 Girl just come
 Come ride this wave.

 Why you fiend yeah(yeah)?
 Wave wave wave wave Yeah.

You got me catching my wave when I'm fcking with you/
You got me feeling like Mike and it's prolly the Shoes/
 Got me feeling like Noah bitches coming in two's/
You can have it both my lady if you really can't choose/
 Ah/

 You told me you want a commitment/
You got shit twisted like cursive and that's how its written/
 Told my world is Paradise-Garden of Eden/
 Told me you don't suck no dick, so I told you to eat it/
Yea I rejected Boss Brain and somehow they hating on me/
 I don't get it how you hating when you barely know me/
 They always told me risk it that's how you get it homie/
They always told me life is short, shorter than Gary Coleman/
 And everyday of my life is one of those greatest moments/
How I have to roll a jay just to fade all my fucken problems/
 You ain't replied emails now you working on it/
You said you gon surpass us but you hardly working on it/

BRIDGE+HOOK.

Ray

 Why you fiend/
 Girl why you fiend/
 I know for a fact you finna ride this dick/
 No need to pretend all your friends is not here/
 (They not here)
 Ride this wave/
They only hear me in the morning like I'm Sway/
 Who the best in the game/
I'm overwhelmed cause they said it was Ray/

Ride this wave/
Ride this wave/
All of your bitches been riding my dick/
Now you finna hate cause I'm doing great/
She starting a book so I just flip the page/
If you ain't got no plans you can call me today/

HOOK.
