Sunshine, sunshine
Sunshine, sunshineOh, ohhh
Oh, ohhhI was lost between the midnight and the dawning
In a place of no consequence or company
3:33 when the numbers fell off the clock face
Speed dialling with no signal at allGo, shout it out, rise up
Oh, ohhh
Escape yourself, and gravity
Hear me, cease to speak that I may speak
Shush now
Oh, ohhh
Force quit and move to trashI was right there at the top of the bottom
On the edge of the known universe where I wanted to be
I had driven to the scene of the accident
And I sat there waiting for meRestart and reboot yourself
Youre free to go
Oh, ohhh
Shout for joy if you get the chance
Password, you, enter here, right nowOh, ohhh
You know your name so punch it in
Hear me, cease to speak that I may speak
Shush now
Oh, ohhh
Then dont move or say a thing
