We All Know

She Craves

She took a little bit
Then a little bit more
Took me out to the club
And down to the basement

She showed a little bit
Then a little bit more
I donâ€™t know what her face meant
I couldnâ€™t place it

She said â€œWe all know you believe it
Tastes so good but youâ€™ll never give in
Never give in, never give in
We all know you believe it
It tastes so good, so goodâ€•

He took a little bit
Then a little bit more
Took me out of the club
And down to the shore

Then he kissed my cheek
Said I was the one
But I couldnâ€™t warn him
No I couldnâ€™t warn him

He said â€œWe all know you believe it
Tastes so good but youâ€™ll never give in
Never give in, never give in
We all know you believe it
It tastes so good, so good
