

# Midnight Man

James Gang

I'm the midnight man  
I do all I can  
To make sure that I am  
The midnight manMidnight man's on time  
Everything is fine  
All the words in rhyme  
With everythingMidnight man, you're pretty  
Midnight man, you're fine  
Midnight man, be careful  
Midnight man, midnight man, you're mine
