Was I Dreamin'

The Cascades

(Dream, dream, dream, dream, pa pa pa pa) Was I dreamin', when I kissed you tonight Was I dreamin', when I held you so tight? Was I really there alone with you, Or was that a dream, too? Was I dreamin', or where you there with me? Was I dreamin', or could it really be That I heard you whisper, I love you? Or was that a dream, or was that a dream, too? It seems I've spent so many nights Just dreamin' dreams of you. And now, I really can't be sure If all of this is really true. Was I dreamin', or were you really there? Was I dreamin', or do you really care? Did I hear you say, you'd love me true? Or was that a dream, or was that a dream, too? It seems I've spent so many nights Just dreamin' dreams of you. And now, I really can't be sure If all of this is really true. Was I dreamin', or were you really there? Was I dreamin', or do you really care? Did I hear you say, you'd love me true? or was that a dream Or was that a dream, too? fades (Dream, dream, dream, dream) Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
