

# No One Else Comes Close

Joe

When we turn out the lights  
The two of us alone together  
Something's just not right  
But girl, you know that I would never  
Ever let another's touch come between the two of us  
'Coz no one else will ever take your place  
No one else comes close to you  
No one makes me feel the way you do  
You're so special, girl, to me  
And you'll always be eternally  
Every time I hold you near  
You always say the words I love to hear  
Girl, with just a touch you can do so much  
No one else comes close  
And when I wake up to  
The touch of your head on my shoulder  
You're my dream come true, yeah  
Oh girl, you know I'll always treasure  
Every kiss, every day I love you, girl, in every way  
And I always will 'coz in my eyes  
No one else comes close to you  
No one makes me feel the way you do  
You're so special, girl, to me  
And you'll always be eternally  
Every time I hold you near  
You always say the words I love to hear, babe  
Girl, with just a touch, you can do so much  
No one else comes close  
Oh girl, no one else comes close
