Mr. Tambourine Man

Odetta

(Bob Dylan)Hey, Mr. Tambourine Man, play a song for me
I'm not sleepy and there ain't no place I'm going to
Hey, Mr. Tambourine Man, play a song for me
In the jingle jangle morning I'll come following youThough I know that evenings empire has returned into sand
Vanished from my hand
Left me blindly here to stand but still not sleeping
My weariness amazes me, I'm branded on my feet
I have no one to meet
And the ancient empty street's too dead for dreamingHey, Mr. Tambourine Man, play a song for me
I'm not sleepy and there ain't no place I'm going to
Hey, Mr. Tambourine Man, play a song for me
In the jingle jangle morning I'll come following youTake me on a trip upon your magic swirling ship
My senses have been stripped
My hands can't feel to grip
My toes too numb to step
Wait only for my bootheels to be wandering
I'm ready to go anywhere, I'm ready for to fade
Into my own parade
Cast your dancing spell my way, I promise to go under itHey, Mr. Tambourine Man, play a song for me
I'm not sleepy and there ain't no place I'm going to
Hey, Mr. Tambourine Man, play a song for me
In the jingle jangle morning I'll come following youThough you might hear laughing, spinning, swinging madly across the sun
It's not aimed at anyone
It's just escaping on the run
And but for the sky there are no fences facing
And if you hear vague traces of skipping reels of rhyme
To your tambourine in time
It's just a ragged clown behind
I wouldn't pay it any mind
It's just a shadow you're seeing that he's chasingHey, Mr. Tambourine Man, play a song for me
I'm not sleepy and there ain't no place I'm going to
Hey, Mr. Tambourine Man, play a song for me
In the jingle jangle morning I'll come following youTake me disappearing through the smoke rings of my mind
Down the foggy ruins of time
Far past the frozen leaves
The haunted frightened trees
Out to the windy bench
Far from the twisted reach of crazy sorrow

Yes to dance beneath the diamond sky with one hand waving free
Silhouetted by the sea
Circled by the circus sands
With all memory and fate driven deep beneath the waves
Let me forget about today until tomorrowHey, Mr. Tambourine Man, play a song for me
I'm not sleepy and there ain't no place I'm going to
Hey, Mr. Tambourine Man, play a song for me
In the jingle jangle morning I'll come following you
