Waiting To Die (feat. Sia)

Zero 7

It's just a day like any other day
A beautiful day for an accident, let's say
Yes it's just a day, like any other day
Just one step closer to the end of the buffet
La la la la la la
La la la la, 'cause we're waiting to dieNow it's a good time for a tasty glass of wine
Let's not burden our minds with carbon dioxide
And everyone hurry, don't sit and abide
Yes, everyone stand up, we're running out of time
La la la la la la
La la la la, 'cause we're waiting here to die
Look what a terrible mess that we've made
The sun beats us down as we search for the shade
And, yes, it is true, death is everyone's fate
But we've made it this far, it's time to celebrate
La la la la la
La la la la, 'cause we're waiting here to die
La la la la la
La la la la, 'cause we're waiting here to die
