

Manhattan (Live Glastonbury)

Kings of Leon

I like to dance all night
It summons the day
That's how I play
Yeah that's how I play I said who are you
No matter who you are
So we dance all night
And dance all day I say
I say We're gonna fuel the fire
We're gonna stoke it up
We're gonna sip this wine
And pass the cup Who needs avenues
Who needs reservoirs
We're gonna show this town
How to kiss these stars I say
I say I'm on a hunt to kill
I'm gonna skin the hide
A yelp and scream
And away I ride I'll never top this view
I'll never fall aground
It's all for you
For what you found I say
I say
I say
I say It's gonna take your hand
It's gonna drive you home
It's gonna keep on, keep on, keep on
And then forever roam.
