Good Place

David Archuleta

I don't know what I'm doing here How I landed in this space But it's a good placeAnd I don't wanna mess it up Make mistakes or say too much 'Cause it's a good place You find it, you hold it You feel its graceThese are words I wanna say Every hour of every day These are words that say how good it feels To be here with you todayI hope it's not too late (I hope it's not too late) I hope it's not too lateI've been silent up to now I've been going with the flow Wherever that goesBut something's screaming down inside Makes me want to close my eyes And hear the echoYou find it, you know it Don't make it waitThese are words I wanna say Every hour of every day These are words that say how good it feels To be here with you todayI hope it's not too late'Cause I don't wanna waste another summer I don't wanna wait until I fall I could be a memory tomorrow I could be nothing at allI don't know what I'm doing here How I landed in this space But it's a good placeThese are words I wanna say

Every hour of every day
These are words that say how good it feels
To be here with you todayI hope it's not too late
Oh, yeah
I hope it's not too late
