Advisory - the following lyrics contain explicit language:

Just let me be,
I ain`t worried about you,
Don`t worry `bout me.
Do your own thang,
just let me be.
I ain`t gotta speak to you.
You ain`t gotta speak to me.
I call it how I see it,
Just let me be
You ain`t gotta see me,
I ain`t gotta see you.
Do what you do,
Just let me be.
You will respect me,
I will respect you
and we`ll be cool.Don`t worry about me,
Worry about yourself,
look out for your kids
Don`t they need your help?
Get up out my business, let me handle mines.
worry `bout yourself then you`ll be fine.
You will have a benz, you will have a house,
as long as you keep a nigga name out yo mouth.
Fifty got a boat, diddy got a crib,
They do their young thing, I don`t worry `bout them
You ain`t gotta speak, you aint gotta talk,
Throw them deuces up,
continue with yo walk.
I feel the jealousy,
It`s all in yo eyes,
Mad that I made it, Now you look surprised,
Don`t give me that, I know that shit fate,

talk behind my back,
then smile in my face.Just let me be,
I ain`t worried about you,
Don`t worry `bout me.
Do your own thang
just let me be.
I ain`t gotta speak to you.
You ain`t gotta speak to me
I call it how I see it
Just let me be
You ain`t gotta see me,
I ain`t gotta see you.
Do what you do
Just let me be
You will respect me,
I will respect you.
and we`ll be cool.You ain`t gotta see me,
I ain`t gotta see you.
I focus on my raps, you do what you do.
You ain`t gotta like me,
Don`t buy my c.d,
Don`t show up at my shows,
lookin` for some beef,
Quit acting like my brawls, pitchin` attitudes,
Rollin` yo eyes, what that `spose to do?
You tryna mean more, but you ain`t said a word.
Come tellin` me, shit that you heard.
you ain`t here for my love,
so what you talkin` bout?
Find out the truth before you open your mouth.
just respect me and I`ll respect you,
and shit will be aiight,
and we`ll keep it cool.Yeah tell the truth,
You aint gotta lie,
You aint gotta impress me,
shit, why try?
fake ass nigga,
flexin` ass nigga.Just let me be,
I ain`t worried about you,
Don`t worry `bout me.
Do your own thang
just let me be.
I ain`t gotta speak to you.
You ain`t gotta speak to me
I call it how I see it

Just let me be
You ain`t gotta see me,
I ain`t gotta see you.
Do what you do
Just let me be
You will respect me,
I will respect you.
and we`ll be cool.
