

# Never Say Die (Black Sabbath Cover)

## Overkill

[BLACK SABBATH (Iommi/Butler/Osbourne/Ward)]People going nowhere, taken for a ride

Looking for the answers that they know inside

Searching for a reason, looking for a rhyme

Snow White's mirror said "partners in crime!"Don't they ever have to worry?

Don't you ever wonder why?

It's a part of me that tells you

Oh, don't you ever, don't ever say die

Never, never, never say die againSunday's satisfaction, Monday's home and dry

Truth is on the doorstep, welcome in the lie

All dressed up in sorrow, got no place to go

Hold tight, do it ready, taking it slowDon't they ever have to worry?

Don't you ever wonder why?

It's a part of me that tells you

Oh, don't you ever, don't ever say die

Never, never, never say die againDon't you ever say die

Don't you ever say die

Never say diePanic, silver lining, writing's on the wall

Children get together, you can save us all

Future's on the corner, throwing us a die

Slow down, turn around, everything's fineDon't they ever have to worry?

Don't you ever wonder why?

It's a part of me that tells you

Oh, don't you ever, don't ever say die

Never, never, never say die again

Never say die again
