Say

Ryan Cabrera

I'm on the corner, catching the late train
I'm going somewhere, I'm leaving nowhere today
I got my reasons and my beautiful wine
I told my mama, said, "Boy you lost your mind"They say shut up, shut up
You're going to ruin you're name
They say clean up, clean up
Don't think just playS-s-say, say, say
Say what you wanna say
'Cause I'm gone, yeah I'm goneS-s-say, say, say
Say what you wanna say
'Cause I'm gone, yeah I'm goneI crossed the border, watching the sun drown
The seats are shaking but I don't wanna slow down
Now I'm living in a beautiful town
There ain't no people but they love my soundSay wake up, wake up
You got things to sign
They say pick up, pick up
Your life is on the lineS-s-say, say, say
Say what you wanna say
'Cause I'm gone, yeah I'm goneS-s-say, say, say
Say what you wanna say
'Cause I'm gone, yeah I'm goneOh, you used to be young
Yeah, you used to be wise
You used to be cool
What's with that look in your eyesSay, say, say what you wanna say
What you wanna say, yeahTell me how you like me, look at me like that
Tell me how you like that, look at me dancing now
Look at me dancing nowCall me everyday just to say the same thing
Even in my sleep it's your voice repeating, voice repeating
Tell me how you like me nowS-s-say, say, say
Say what you wanna say
'Cause I'm gone, yeah I'm goneS-s-say, say, say
Say what you wanna say
'Cause I'm gone, yeah I'm goneS-s-say, say, say
Say what you wanna say
'Cause I'm gone, yeah I'm goneOh, you used to be young
Yeah, you used to be wise
You used to be cool
What's with that look in your eyesSay, say, say what you wanna say
Say what you wanna say

Say what you wanna sayYou don't know what you want, you don't know
You don't know what you want, you don't know
You don't know what you want, you don't know
You don't know what you want, you don't know
Say what you wanna say
