Touch In The Night (DJ Sharapoff Remix)

Silent Circle

I remember all the cries
It's a secret dream lost in your love
You, your lonesome eyes are all I want to know
Helpless tears can never stop the rainOnly you can turn my life,
Can turn it just this way[Chorus]
Touch in the night, it feels like heaven
Touch in the night so lucky in love
Lost in your light another secret
Touch in the night whatever I doYou are angel in disguise
Deep inside my heart like the inner light
I believe in all you promise and your lies
But I feel in the end I'll loseOnly you can turn my life,
Can turn it just this way[Chorus]Tonight I feel, I feel for you
Tonight I call, I'm calling your name
Tonight I feel, I feel for you tonight
