

# Back to School

## Deftones

So run  
Right  
Right back to school  
Check it Look back I sift through all the cliques  
Roaming' the halls all year, making me sick  
While everyone's out tryin to make the cut  
What? And when you think you know me right I switch it up  
Behind the walls smokin' cigarettes and sippin' vodka  
I profess to catch a cab, ain't no one can stop us  
Give me a break about some other mess What were you?  
Act like it's everything you got Push back the square  
Now that you need her but you don't  
So there you go  
'Cause back in school  
We are the leaders of it all Stop that, quit! All that, quit!  
Who ruined it? You did! Now grab a notebook and a pen  
Start taking notes, I'm being everyone who's on the top  
You think we're on the same page - but, oh we're not!  
I'll be the man, watch your backpack and the pencils  
Just like he now flippin it, why you just keep it simple?  
You just can't go wrong rocking' the clothes  
Coppin' the stance  
'Cause really is everything that you got Push back the square  
Now that you need her but you don't  
So there you go!  
'Cause back in school  
We are the leaders of it all  
So  
Transpose  
Or stop your lies  
It's what you do  
Transpose  
Or stop your lies  
So run So why don't you run, so why don't you run  
So why don't you run back to school  
So why don't you run, so why don't you run (All you are) now I'm on the next page  
(All you are) it's time to close the book up  
(All you are) I'm on the next page  
(All you are) close the book up now Push back the square

Now that you need her but you don't

So there you go!

'Cause back in school

We are the leaders of all(We are) we are the leaders (of all)(We are) we are the leaders (of all)So run

Why don't you rush, why don't you run

Why don't you run back to school

Why don't you rush, why don't you run
